Today's Meeting

In attendance:

President Karl rang the opening bell at seven this morning. Present were: **Charlene D., Charlene G., Roy B, Roy Y., Ray, Marv, Jerry, Randy, Mike, and John.**

John led the pledge and **Jerry** gave the invocation.

Mike opened with **Rotaries Polio +Progran** and the large contributions by **Bill Gates** and the countries of **Sweden** and **Germany**, something like 3 hundreds of millions between them. After what **Bill** did to us with **Vista** he needs to to a little fence mending.

Eskaton was looking for someone to 'cater' their "**Mystery Dinner**"; looks like it's another job for the "**Mule Committee**". Are we going to do the bar this year?

Dorie was here with her monthly visit with a couple of her charges in toe. She was thanking us for having **Sarah** and **Annalee** work during the crab feed. They were a blessing--just ask **Randy** and **Karl**.

Today's Program

Crab Feed

The Crab Feed did very well. We sold around 130 tickets (both mother and child) with a total of \$5,178 gross, and a net of around \$2,600. The bar and the drawings were a help. Nobody bid on the cord of fire wood, so **Marv** bought it and is donating it to a needy family. **Ed Brown** was the likely recipient.

Hayfork Century

The bike event is 'cycling' along with little bits and pieces coming together every week. Next meeting will be a bike event meeting. The **Sheriff's Possie** has signed on to do security at the camp sites. The **Lion's** are on board as well as the **Mule Committee**. I talked to **Cal Trans** about remits for the use of the road sides and putting up signs. It has some bumps but we'll make out. **Dorie** says her charges will be in the mix also.

Now if the fires will sign on we will have a 'full house'.

Announcements:

Jacob was looking for some kind of a **CAD** program because his interest lies mechanical and architectural drawing.

Marv said he can see for the first time in 75 years after a little surgery on his eye. Maybe that can explain why he was always speeding around the County---he couldn't see the speed limit signs. We like to kid **Marv**, but we could not survive without him.

Visiting Rotarians:

Guests of Rotarians:

Dorie Beal and her two charges **Jacob Booth** and **Destiny Ray**

Recognition

Jacob Booth drew **Karl's** ticket, but he picked a white marble.
