Today's Program

This our meeting day for the bike project. Thing are going along pretty well. **Karl** still has a full head of hair, and **Mike C.** is still talking to us.

We are trying to get '**First Responders**' arranged but that is falling into place.

Ray has stepped forward and is taking care for the rest stops. He will get the volunteers arrange and get them headed in the right way.

Roy B. brought up the signs and how we were going to letter them. We thought of using '**stencils**' and coloring in the breaks in the letters. I still have not gotten the size and letter and sign from **Cal Trans** yet, can't watch the man in. Will try for 2'X3' signs with 6" letters.

The subject of andappreciation' dinner for all those who helped with the project, we don't want to over load the main dinner fir the riders. We might also consider that some of the organizations involved might want a cut of the pie!

If the weather clears up I hope to get out and get some pictures for the web sites.

Pat Cross brought the “**District Assemblies of 2009**” which will be held on **May 2** in **Redding** at the **Shasta College Health Center** from 2-8 pm.
