## Today's Program

### HAYFORK CENTURY MEETING

**Charlene G.** got a \$250 sponsership donation from **North Valley Bank**.

**CharleneD.** asked if the if the **"Spirit Club"** could set up a food booth for lunch during the ride. As lunch is being supplied by the project, it was suggested something in the way of sweets might be better.

**John Cain** will supply 8 **"porta-potties"** for the sum of \$250 for the ride, that is all inclusive. Now **North Valley Bank** can proudly say that they supplied **"potties"** for the ride.

Paper work for the **Cal Trans** permit was turned in on **March 10**. Meeting is with Forestry on **March 25** to go over their requirements.

Our **"Hayforkcentury.com"** site is up and running. It doesn't look really pretty yet but it will get things out before the public; we will be able to see if we are getting any riders interested. **Randy** announced that the **"Tahoe Century"** ride will be the same week end.
