Today's Meeting

In attendance:

President Karl rang the opening bell at seven this morning. Present were: **Charlene D., Jerry, Charlene G., John, Randy, Jerry, Roy Y., Janet, Marv, Ray, Roger, Roy B,** and **Mike**.

Roy Y. led the pledge and **Ray** gave the invocation.

Karl's still collecting volunteers to go to the **District Assembly** on **May 2**. Said meeting over at noon, then you could spend a glorious afternoon in Redding!

Mystery Dinner Bar was not one of our more profitable ventures--we were lucky we lost a mere \$160.

Mike was asked about the **Wine and Cheese** venture which he said was churning along. The work detail is under control, but the "uniform of the day" is still under consideration. White shirt and black tie for servers was mentioned but **Randy** said 'NO WAY'. The guest can go 'black tie' but we were going to remain true 'Hayfork Funk'.

Ray read us a draft of the "Guide Lines" to be followed when asked for donations. **Ray and John** gave their all

Today's Program

Today's program comprised of folding flyers for the second mailing for the **Hayfork Century**. Busy little fingers but not much for 'yee old bulletin editor' to write about.

We had a short **Board Meeting** to cover a donation to help the two little girls that are representing **Trinity County** in the state "Spelling Bee". This is an expensive venture and the school is not going to help with expenses until the event is over. One of the young ladies is very hard pressed to fund this event. **Randy** motioned that we give \$300 to help with this project and **Jerry** seconded it.

Christa Krenz and Sheniah Mays

These are the two winners in the **Trinity County Spelling Bee**.

Our 5th Wednesday Social is under control; **Randy** said hamburgers will be the fare. We seem to plan all these outings and never discuss the 'time' of the event. **Roger** called last night asking for the time and I didn't have it. My wife says I don't have time for anybody!

Ask and you shall receive. We were wondering where we were going to get poles to replace the ones at the park when we received all the poles we could hope for from **TCPUD**.

Board Actions
