Today's Meeting

In attendance:

President Karl rang the opening bell at seven this morning. Present were: **Charlene D., Jerry, Charlene G., John, Randy, Jerry, Roy Y., Janet, Marv, Ray, Roger, Roy B,** and **Mike,**

Marv had lots of good news on the park. On 5-13 **TCPUD** will be at the park to drill holes for the perimeter post, and a prisoner work party will come in and do lot of the dirty grunt work needed at the park. **Roy Y.** said he had the frame for the **BBQ grill** installed and he was headed to town to get the mesh for the grill. Looks like all we need to do on our **Park Work Day** is enjoy the **BBQ**. The **School House** with its doors and windows boarded up is not we had hoped for the building. We sure need some answers to that problem.

Charlene D. reminded us about the **Chamber** meeting on Tuesday. The meeting will discuss the **"Hayfork Century"** bike ride.

Bonnie's Designs came in and discuss the hat and shirt status for the ride. We suggested that we use **CC Tee's** for our shirts because she could not produce tee shirts

Today's Program

Trinity Trust was the subject of our program and we had a trio of presenters. **Dick Murray, Duane Heryford,** and **Conner Nixon.**

Trinity Trust was launched out of the **Gilbert Henry Gates C.R.U. trust** in 1993. The trust of a couple million dollars has worked well for the residents of our county. The last little physical fracas put a dent in the funds but still has money's for best of causes. Last year over \$62 thousand dollar was distributed from the trust.

Duane was asking that those who could contribute to the trust. **Trinity County** is always in need of funds and more and more we need to look to our own future. Hayfork has been a leader in estates contributing to the welfare of the trust.

She had a couple of shirts as samples that were well received.

We discussed the final preparations for the **Wine and Cheese Gala**. Everything seems to be well in hand; no big surprises at this point.

The **USFS** is balking at our math on the bike ride and wants to clear a little more money for the use of their roads. No work from the County on the permit that they have been working on for the last two weeks.
