Today's Meeting

In attendance:

President Karl rang the opening bell at seven. **Randy, Janet, Marv, Roy B, Roy Y, Susan, Charlene G., Charlene D., Ray, Roger,** and **Jerry** were in attendance.

Roy B led the pledge, and **Jerry** gave the invocation.

Camp Royal is upon us so we won't be seeing **Randy's** smiling face for awhile. All we need to do for this project is go to a party. Well, we have to **cater** the party, but at least we get to enjoy the party; some do anyway. They had to leave a big project behind for the slackers.

We hate to see **Roger** show up at the meetings; all he brings is bad news from the County and State. We love you, anyhow. He said the state is 14+ **BILLION** in the hole. I can remember when those were national numbers. Why are we still piddling around with pennies?

Dori gave us her monthly review, and thanked us for all the help we gave her kids. She commented on the progress of the **'Smoky Bear'** project.

Today's Program

Hayfork Century Ride went off with little difficulty and lots of fanfare. The weather even cooperated with lots of sun and no rain or heat.

All the riders were happy and are going to spread the word. We even got a little publicity on **'YouTube'** with one of the riders making videos. See the videos [@youtube.com/watch?v=aXgQj00vODo](https://www.youtube.com/watch?v=aXgQj00vODo) or go to 'youtube' key word **'CENTURY'**.

We had a big oak tree fall over in the park, and **Roy Y.** was right there to take charge. He got the tree all cut up just in time for the ... to crawl out of the woodwork and want the wood. **Marv** and **Roy B.** hauled a couple loads of trim away, but some still remain. The park is looking great and getting lots of use. **Roy Y.** already caught somebody abusing our new **BBQ** at the park.

Karl is already laying out plans for our 5th Wednesday in July.

Take note of the 'action statement' on our two new proposed members.
