Today's Meeting

In attendance:

President Karl rang the opening bell at seven. **Janet, Roy B., Roy Y., Charlene G., Ray, Roger, John, Randy, Jerry,** and **Mike.**

We received a letter from 'Hayfork N U' thanking us for our participation in their project. Most important they sent us back our entry fee of \$200. Said they too barely made expenses.

It's time again of the county fair and the 'Miss Trinity County' contests. **Karl** would like us challenge the other clubs to sponsor young ladies fro this event.

PDG Jim Campbell sent a letter of thanks for all the support in his term of governor. Said the **District** had 50 new members, a net increase.

The **Theme** for our upcoming year is: "The future of Rotary is in your hands"

We were told that the 'Camp Royal' group found out that group participation is not always the best goal. Seems one person 'got sick' on the way home and several more felt they had to join in.

Today's Program

We are looking for our project to help pay the remaining part of our cost for the grass seed for the cemetery. We still owe about \$900 on that project.

The club looked at all the suggestions and decided to go with a "Rifle" and a "Train ride" That way we can cover several different sectors of the community. The **Rifle** will be a nice .270 with a scope, and a trip on the **Dinner Train** as second prize.

Jerry said he would check at **Ernie's** for a good rifle and scope, and **Charlene D.** volunteered to check on the dinner train.

Our final debrief on the **'Hayfork Century'** ride will be at the next meeting.

Roger as usual had some new on county income, some well some bad. The good part is 7 million in funds to be split between **Shasta and Trinity Counties** for **fuels reduction**. The bad part is that it maybe in IOU's, or is that just IOU's from California. Anyway 7 million is just chump change in today's markets. Millions are kind of like pennies, you can buy much with them anymore.
