Jerry reported on the progress of Leanne Ferrer. **Jerry** is part of a group working on putting together a fundraiser for her. **Jerry** will keep us updated.

Thank-you letters have gone out to Roy's friends in Oregon that donated the welding of the park BBQ frames.

Roy B., has temporarily dropped out of the Club for financial reasons. **Mike, John & Lee** will take over keeping the Rotary marquee up to date. **Lee** will take over as Club Photographer. Today's Program

Bonnie Travis, Chiropractor and Herbologist spoke to us about her practice here in beautiful Downtown Hayfork. She has her own office in a space behind Hayfork Drug and she also practices at the Clinic. She is a graduate of the Palmer school of Chiropractic.

Bonnie's practice is a wellness practice. Her approach is a holistic one of health through preventive practices. She believes that is far better to concentrate on staying healthy rather than having to treat problems after the fact. She teaches classes on menopause and osteoporosis.

Although Bonnie specializes in women's health she does a fantastic job helping this male author every time he does something dumb to his body!

Bonnie welcomes you to visit her website: bonnietravisdc.com. Her website is full of useful health information. ☐
