## Today's Program

The program this morning was provided by our own members and the visitation by Ronda, the entire HHS football team and their coach Randy Harrison.

**Roger** updated us on the State and TC budget. The only good news is that TC should be receiving the monies, that were taken by the State, by sometime in January, 2010.

**Randy** provided us with a very nice history of Camp Royal, and discussed what we can look forward to at the Camp in the near future.
