## Today's Program

Nathan Dallas and Dori presented Nathan's program about the need for a skate board park in downtown Hayfork. Nathan suggested a few different properties and the possible conversion of the tennis courts at the Park being converted to a skate board park.

Nathan has done a lot of research on his proposal, including locating grant possibilities, finding out the current numbers of skate boarders, by age group, in Hayfork.

**Susan** indicated that there is a grant meeting at the Roderick Center on Dec., 8<sup>th</sup>, from 2 – 4:00 PM. There could be some interest there.

**Roger** indicated that he would see if he could get the lighting on at the makeshift skate board park (the tennis courts), so that the skate boarders could use the facility after dark.

Both **Marv** and **Susan** have volunteered to help Nathan by providing guidance and political information.
