Today's Meeting

In attendance:

President Karl rang the opening bell at seven, almost. Present were ??? My "CRS" and names not recorded in the meeting notes. Pledge led by ?? and invocation by ??

Karl thanked all the Rotarians that volunteered their time and worked so hard to bring about a wonderful Christmas party. All the food was great, wine in a real glass bottle with a cork was a real treat and the room looked very festive. Kudos to everyone involved. There were numerous guests of Rotarians, which added to the overall enjoyment of the night.

Neither **Susan** nor **Charlene G.**, were at the meeting. **Karl** will follow up with them to make sure our check is sent off to Camp Royal.

The funds from the Kellogg Cemetery account that Nina Gee is donating to Hayfork Rotary Club will be \$ 1,000. This money will first be used to mount the school house plaque in a way that it can not be removed. Any left over funds can be used for maintenance and repairs of the structure.

Today's Program

Dori introduced her guests, Alen Cook, Alen Pectol and Nathen Dallas.

Dori, Alen, Alen and Nathan updated our members on the skateboard park progress and the senior project. Our own **Marv** has volunteered to help the group wind their way through all the political roadblocks that will be encountered in their move toward a skateboard park in Hayfork.

Editor's Note:

Due to several factors, these last two newsletters have not included all the information they should have, nor have they included the photos that should have been included.

The two main reasons are: I have been in computer hell for almost three weeks and thus unable to get these last two newsletters written until today (12/28). The other reason is that each day that goes by after our meeting, my "CRS" causes more and more collateral damage!

We are also in transition, as **Peggy** has agreed to take over writing the Burner in January 2010. She is currently in training and I have not been able to spend any time with her to accomplish that training. I believe Peggy will do a great job at this task. Writing the Burner is not an easy thing to jump into, especially when you are a new member and not yet familiar with all our members and Club history. Please help **Peggy** get "up to speed" by providing her with Club and personal history whenever possible. Thanks!
