Today's Meeting

In attendance:

President Karl rang the opening bell at seven, almost. Present were **Mike, Ray, Arnie, Charlene D., John, Susan, Roy, Jerry, Roger** and **Randy** .

Karl led the pledge, and **Jerry** gave the invocation.

Rotary International President, John Kenny, via our 5160 DG, Earl Kilmer is asking that all the Rotary Clubs in District 5160 join all Rotary Clubs, worldwide, in bringing attention to RI's program to end polio throughout the world. He would like our Club to do something on February 23rd as an "End Polio Now" project. We will discuss this at next week's meeting.

Charlene D., indicated that the water damage repairs at the Senior Center have been completed. Thus the Saturday breakfast that normally would have been held last Saturday, will be held this Saturday. Attend and help support the Senior Center.

Susan reminded our members that the Park & Rec Board will meet next Tuesday (5:00 PM @ Parent Center). The Board is working on a grant for park improvements, and would like our input.

Marv is looking for someone to make the old oak stump in the park "disappear"!

Today's Program

Randy had a great program on the Joss House and the Lion Dance that he was going to present to us this morning, however.....

Two great minds were unable to overcome the technical problems at hand. Darn those 1,s and 0,s!

Anyway, **Randy** has rescheduled his program for January 27th.

Roger stepped up to the plate and brought us up to date on the last Sups meeting on control (or lack thereof) of TC's "Weed" problems. There will be an open joint (no pun intended) meeting of the BOS and the Planning Commission on January 14th at 4:00 PM. The topic will be zoning and "weed".

Karl shared that the HC Committee, at it's last meeting, decided that they wanted to redesign the HC flyer so that it was not date specific, thus flyers left over from this year could be used the following year. This has been accomplished by using "Annual Event, 2nd Saturday of June", rather than the actual date and year. Additionally, the committee would like to delete the second line from the top of the flyer "In Trinity County, California" and replace it with a very short "catch" phrase that contains Trinity County, CA" in it. The committee would like to hear your suggestions.

Jerry will have the "Crab Feed" tickets at next week's meeting, and will get some tickets to the Feed Store. **Mike** will get the event up on the Rotary marquee and indicate that tickets are available at the Feed store and the Fairgrounds office.

Roy Y., updated us on the Raffle Raffle ticket sales, which are currently at \$2,680 plus any that have been sold at the stores that have them for sale. **Randy** will check on the outlets in Weaverville. Our members discussed options to replace the Shasta Dinner Train prize if that is not available. **Jerry** suggested the Delta Queen trip out of Old Town in Sacramento. It sounded like that was a winner.

Charlene D., announced that there are only two white marbles left, so she sold additional tickets to those members that wanted the extra chances. **Mike** selected the winning ticket that turned out to belong to.....yup, you guessed it.....**Mike!** (Can you say "fix"?). And, as luck would have it....**Mike** was able to pull the black marble out of the bag.

A second ticket was drawn for the "grab bag" prize, which was won by **Jerry**.
